

The SEARK Reading Council would like to thank all who participated in our last meeting. We had a great time with Vanessa Hendrix and learning about Newspapers in Education. We definitely learned that there is more to newspapers than just the news. If anyone has used any of the ideas in Vanessa's workshop in your class e-mail me and I will forward it out to everyone. Below you will find a snippet of our evening: Everything from our classy tea party to newspaper clippings and making word family sorts. Hope everyone had a great time and we missed all who were unable to attend. We look forward to seeing everyone at Lanes in April for our annual Literacy Awards Banquet.

MISS SPIDER'S TEA PARTY 2007
