

The Arkansas Department of Education (ADE), the Arkansas State Library (ASL) and the Arkansas Reading Association (ARA) are pleased to sponsor the annual selection process for a book to receive the Charlie May Simon Book Award. The award and honor books are selected by Arkansas children in the fourth, fifth and sixth grades who read the books and hear the books read aloud by teachers and library media specialists. This selection process is an opportunity to engage children in reading carefully selected books from each year's reading lists.
